

Centenary College 2026-2027 Catalogue Addendum

Faculty approved these changes to the “W” Policy at the April 2026 Faculty meeting. These changes are noted in red and apply to Fall 2026 and ongoing.

CHANGE OF REGISTRATION

A change is initiated by the College when the student is required to make the change by an instructor, an advisor, the Registrar, or the Vice President for Academic Affairs and Provost of the College. Classes may be added only with the approval of the instructor and the faculty advisor, and may require the approval of the Registrar; this may be done only until the date designated in the calendar as “last day for enrolling, adding courses, or changing sections.” Classes may be dropped with the approval of the instructor, the advisor, and the Registrar until the date designated in the calendar as the “last day for dropping courses or changing enrollment status.” **If a student drops a course after the fourth Friday of the semester, a “W” will be transcribed for the course on the student's transcript.** If a student petitions and is approved to drop a course after the “last day of dropping courses or changing enrollment status” a grade of “W” will be recorded for the course. This same deadline applies to changing from “credit” to “audit” or vice versa and changing a regular registration to “Pass-Fail” registration or vice versa. Forms for initiation of course changes are available on the Registrar’s Office webpage.
